

Partner Program

We invite you to connect with AIA Northern Virginia's 1200+ members as a Partner.

Partners have the opportunity to network with chapter members, receiving advance notification of all chapter events. In addition to subscriptions to chapter communications, new Partners are recognized in our newsletter and included in our chapter directory. Partners receive discounted advertising in our publications, are offered complementary postings to our job board and have the opportunity to post continuing education events on our CE webpage.

We highlight our Partners by displaying their logos, with hyperlinks, on the front of the chapter's website with frequency tied to the partnership level. Partners are also recognized on our Partner webpage with a hyperlink to your website. To keep your company name in front of our members, twice each year all Partners are listed in messages that go to the entire AIA Northern Virginia membership.

To join AIA Northern Virginia as a Partner, please complete this application. There are five levels of Partnership available, each offering distinctive benefits and customized choices so you can select the benefits best suited to your needs:

- Benefactor – \$10,000 annually
- Patron – \$7,500 annually Supporter – \$5,000 annually
