

AIA Northern Virginia

Introducing AIA Northern Virginia's New Partner Program

We invite you to join AIA Northern Virginia as an inaugural Partner.

Partnership provides opportunities to connect with Northern Virginia's 1200+ members and interact with Chapter leadership at our highest and most visible level.

This program will enhance your participation with the Chapter by offering you the ability to customize the benefits you receive. You may choose to sponsor an issue of *BLAST*, have your company highlighted in a feature article, or even have the opportunity to meet Chapter leaders at a Partners-only social event, depending on the Partner level you select.

Partners have many opportunities to network with Chapter members. You will receive advance notification of Chapter events, subscriptions to AIA Northern Virginia publications, complementary advertising in our publications, the ability to feature your events on our continuing education page and complementary postings to our job board.

We continually highlight our Partners. Your company will be recognized in our newsletter and included in our Chapter directory. Your logo, with a hyperlink to your website, will be displayed on the front of the Chapter's website, with frequency tied to your partnership level.

Our Chapter website includes a Partner page where your company will be listed and easily available to our members. To keep your company name in front of our members, twice each year all Partners will be listed in messages that go to the entire AIA Northern Virginia membership.

Five levels of Partnership are offered:

- Benefactor – \$10,000 annually
- Patron – \$7,500 annually
- Supporter – \$5,000 annually
- Contributor – \$3,000 annually
- Friend – \$1,000 annually

Details are available on the Partner Program Application.

Thank you for becoming a Partner with AIA Northern Virginia!

For information and questions, please contact Jody Cranford at (800) 818-0289 or jody@aianova.org.

Please note that the Partner Program replaces our former Sponsorship Program.

Partnership is with the AIA Northern Virginia Chapter only, and is not associated with AIA Virginia or the American Institute of Architects national component. Chapter Partners do not have the right to use the AIA logo, but do have the right to use "Allied Member of the Northern Virginia Chapter of the American Institute of Architects." Partnership and dues payments are not tax deductible as charitable contributions, but may be tax deductible as a business expense.
